

Coaches General Information Sheet

Welcome to the FIRST Indiana Robotics West Lafayette (Sunday) FTC Qualifying Tournament!

We're glad you are here and we hope that you have an exciting and successful competition. See old friends; make new friends and most of all have lots of FUN! Here are a few general info items:

Judging Interview Schedule

Follow signs to the judging classrooms . Be at the Judging Q Area at least 5 to 7 minutes before your scheduled interview time. Once you arrive at the Judging Q Area, be sure to follow the directions of the Queuers and Judge Assistant so that the interview process will go smoothly.

Hardware / Software Inspection & Field-Test

The goal is to have all teams inspected and field-tested by 9:50 am. Hardware will be located in the pits and Software will be at the main fields. When you get to the field for the test, follow the direction of the Field-Inspector. Please budget your time wisely, as there is a lot to do in a short amount of time. And remember, if you need some help or a hand with something, do not hesitate to ask – That is what gracious professionalism is all about!

Qualifying Match Schedules

Will be generated by the scorekeepers and technical crew as soon everyone is all checked-in and field systems are a go. Once ready they will be handed out to the teams – extras will be at Pit Administration. Note – if there is a * (asterisk) next to you team number, that means for that Match you are a surrogate (filler). Your score does not count for you or against you.
